Careers activities in school

MY BANK

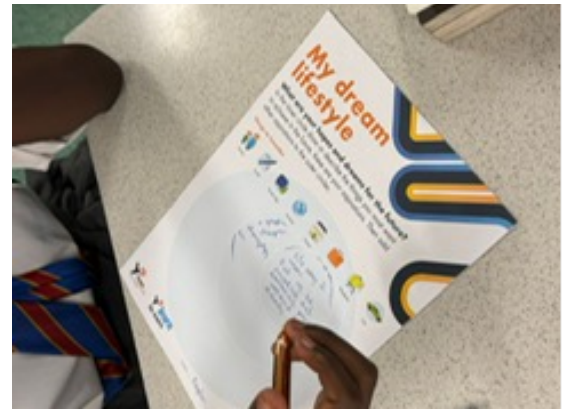

Our year 10 students had the opportunity to take part in a workshop designed to help young people have a better understanding of budgeting, tax, household costs, savings and most importantly understanding the difference between needs and wants.

DEPARTMENT FOR WORK AND PENSIONS - CV WRITING

Our new Year 12 students concluded their induction period by taking part in a CV writing workshop delivered by the education team at DWP. They began to draft their CV as they consider the world of work.

Careers activities in school

LEARN TO EARN WORKSHOP

Our year 9 students were provided with an insightful introduction to the connection between education, skills and future earning potential.

The workshop focused on helping students understand how their career choices and further education or training can influence their financial stability

ASK ASSEMBLY

Our year 11 students attended an informative assembly on apprenticeships this morning delivered by ASK. Students learnt about the different levels available to them, career flexibility options and advice on where to find opportunities.

They also had the chance to hear from current apprentices and learn about their roles and employers involved in apprenticeship programmes.

Careers activities in school

MY BANK

Year 9 students took part in a workshop to develop essential skills such as money management, financial literacy and understanding the role of banks in the economy.

They took part in engaging activities learning about budgeting, saving and the importance of financial planning.

Careers activities in school

YEAR 13 MOCK INTERVIEW DAY

Our Year 13 students took part in a mock interview day, they each had a 20 minute interview with a team of volunteers from various industries, such as the NHS, Department for Work and Pension, London Borough of Barking & Dagenham and our partner universities UEL and Coventry, Dagenham Campus. Our team of volunteers commended the students on their maturity and professionalism.

Careers activities in school

UEL - HIGHER EDUCATION MYTH BUSTERS ASSEMBLY

Our year 11 students attended an assembly delivered by Charlotte from the schools outreach team at the University of East London.

In the assembly she challenged students about their understanding of going to university and used the assembly to dispel myths such as 'I can only go to university if I read books'. Students got to hear all of the social activities associated with university and the benefits of studying for a degree.

Careers activities in school

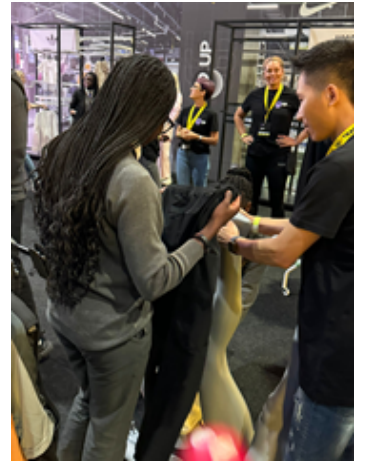

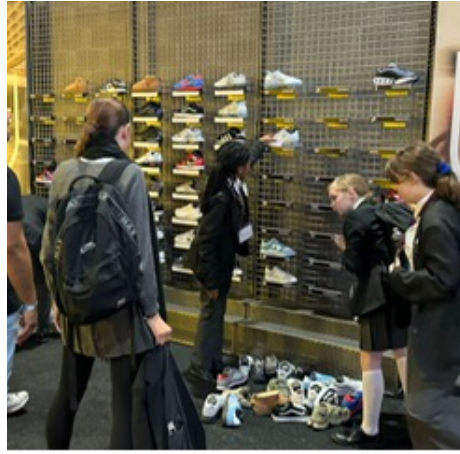

THE BRITISH ARMY

Year 9 students attend an assembly presented by CSgt Fiddy, who is the youth engagement representative with the British Army. He spoke to them about the wide range of careers within the British Army and the great opportunities available to young people and has hopefully inspired some of our young people to further explore careers within the Army.

Careers Trips

JD SPORT UP EVENT

We took a group of our year 10 students to an event at Evolution in Battersea run by JD Sport. Our students got to take part in hands-on tasks and interacted with employees of JD Sport which helped students to gain insights into different industries, hone essential workplace skills and expand their professional networks. Students met professionals like Kyle Walker who shared insights into his career journey.

The event concluded with a quiz where our students who took part won JD Sport goody bags.

Careers Trips

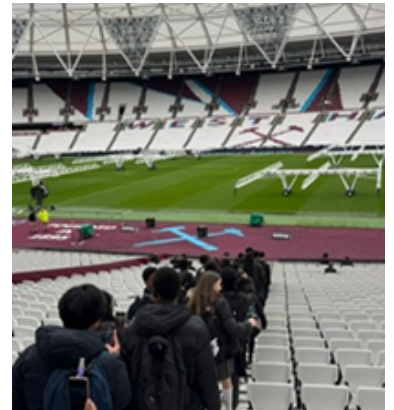

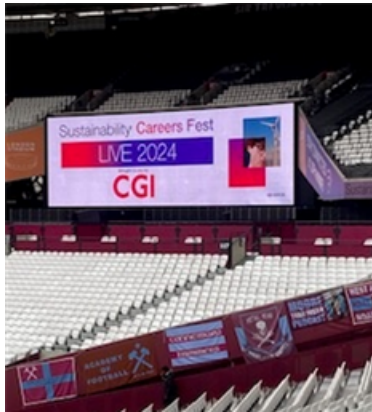

PWC - LONDON OFFICE VISIT

Year 10 students who have an interest in business had the chance to explore office life and PwC operations through engaging activities at their London headquarters.

Apprentices working for PwC explained their roles within the organisation and why they chose the apprenticeship route over full time university.

Careers Trips

CGI SUSTAINABILITY CAREERS FEST

Year 10 students attended the Careers Fest at the London Stadium. They explored a wide range of career opportunities and apprenticeship pathways offered by leading organisations such as TFL, The Army, The Royal Navy, Tesla, BT, CGI and many more.

A key highlight of the day was a hands on workshop where students operated a hard drive, gaining practical skills and expanding their understanding of technology. They day concluded with our students going into the stadium, home of West Ham United, to eat their lunch and sharing their thoughts on the day through interviews with the CGI.

**We are always looking for speakers in a wide range of areas.
