

Preparation for Year 12

Science: Vocational -

Congratulations on your GCSE successes and welcome to your post-16 studies at All Saints!

At this significant moment in your education, you have selected to study courses that reflect your own unique gifts, talents, interests and future goals.

So let's get started! These tasks are designed to introduce you to some concepts that you will be exploring over the year ahead as well as giving you the opportunity to demonstrate your commitment and sincere interest in this subject.

We look forward to seeing your preparation work and welcoming you to our department in September.

 Deadline for submission	Monday 2nd September 2024		
 Where to submit work	Internal students:	External students:	
	Google Classroom	ewilgoss@allsaintsschool.co.uk	

Choose **TWO** tasks to complete from the following list:

Week	Task / question	Links to help you	Notes
1	Part 1 to task set on google classroom	See google classroom	
2	Part 2 to task set on google classroom		

Preparation for Year 12

Keywords and definitions:

You will need to be familiar with the following keywords in term 1.
