# THE DIRECTOR OF SIXTH FORM

Mr. Nicholas Pauro

As Director of Sixth Form I am proud to welcome you to All Saints. Our Sixth Form is focussed on all pupils ascending; whatever their academic pathway, we challenge students to reach exceptional outcomes. What sets us apart is that we do so showing your child the love and respect you would want for them.

Students will develop spiritually, personally and academically to help them take the next steps to higher education and beyond. Whatever study path taken, our inclusive curriculum ensures the right choice is available. We want all our students to leave us fully prepared to positively contribute to society as independent, skilled and motivated young adults.

The decisions now will have an important influence on their future. We therefore work hard to ensure that every student has access to the best support, advice and guidance possible. We do this by offering collaboration and high-quality training opportunities for all staff which lead to great teaching and learning in the classroom for your children.

Ultimately, students at All Saints get to work with staff who are enthusiastic, collaborative, and trained in best practice.

Our staff are rolemodels for our students.

## PROGRESS AND RESULTS

All Saints is not an exam factory but an aspirational community that enables all pupils to grow and develop into successful citizens ready to face whatever challenges come their way.

Our students, parents and staff have seen our exam results get better and better.

Our progress 8 score for GCSE results has increased to 0.53, meaning pupils make 1/2 grade more progress than anticipated and this continues to improve. This also places us in the 'well above average' category for school progress and in the top 12% of schools in the country!

Our sixth form offer has increased and we are very proud that our students leave us to go to some of the best universities in the country as well as on to some amazing apprenticeships.

# PATHWAYS TO PROGRESS

As an inclusive community we welcome all 6th Form students and parents who seek an academically excellent and a passionately Catholic education. As part of our inclusive character we ensure that no child is left behind and there is a pathway to excellence for all pupils.

**We create pathways so that pupils can benefit from an offer which is tailored to their needs.** An offer which ensures that they receive quality teaching in a curriculum that exposes them to many subjects and many skills; before providing them with options for specialisation.

Pathways take into consideration the **uniqueness with which all persons have been created.** Pathways consider the unique skills, abilities, talents and virtues of all children. Pathways are designed **to enable all pupils to be successful** and find a course suitable for them.

At All Saints we are proud to provide students with a broad range of 6th Form pathways which stretch and challenge according to their ability levels.

## WE USE SOFTWARE TO DEVELOP THE WHOLE PERSON

We utilise the best software to foster scholarly skills and a mindset of continual growth. Staff are always on hand to help learners through the use of software packages.

In an increasingly digital world we ensure that all of the software we use is accessible to both parents and pupils. Pupils are given relevant training in the use of software. Staff regularly engage students in learning through the use of software such as Seneca Learning or Up Learn.

By using Unifrog we have a way of helping students to identify their personality type, university courses suited to their grades and future careers which reflect their talents.
