As an **inclusive community** we welcome all 6th Form students and parents who seek an academically outstanding and a passionately Catholic education. As part of our inclusive character we ensure that no child is left behind and **there is a pathway** to excellence for all pupils.

We create pathways so that pupils can benefit from an offer which is tailored to their needs. An offer which ensures that they receive quality teaching in a curriculum that exposes them to many subjects and many skills; before providing them with options for specialisation.

Pathways take into consideration the **uniqueness with which all persons have been created**. Pathways consider the unique skills, abilities, talents and virtues of all children. Pathways are designed **to enable all pupils to be successful** and **find a course suitable for them**.
