Dear Parent/Guardian

Updates

COVID

As you will have seen it has been instructed that masks are to be worn in communal areas. At All Saints we have already been doing this based on local level data. I have now advised staff to wear masks in the classroom and I strongly advise pupils to do so too. Our students are exceptional in their mask wearing and we appreciate the ongoing support from families. We have 15 days left of this term and I want to get all pupils and their families to Christmas safely. Hand sanitising and sanitising of all high usage touch points continues. **Can I reiterate the importance of twice weekly lateral flow tests for pupils** and a huge thank you to parents who are informing us of positive results so we can keep all safe. Staff continue to lateral flow test twice a week also.

January Return

Schools will be instructed by the DfE to lateral flow test students on their return after the Christmas holidays. We are due to return on Wednesday, 5th January 2022.

There has to be some amendment to this so that we can return safely. See below:

5th Jan 8.45 Yr 11 return to site. Lateral flow tests completed and into lessons straight after.

Yr 7, 8, 9, 10, 12 Resume P1 on this day in **online learning** and still continue this until they are due to return.
